DWR Announces 2003 Water Use Efficiency
Final Grant Funding Recommendations

The Department of Water Resources announces its final funding recommendations for the 2003 Proposition 13 Urban Water Conservation Program Grant Application Package.

Proposition 13 Water Conservation Program money supports feasible, cost effective urban projects to improve water use efficiency. A total of \$18,090,185 in grants was awarded to 25 projects during this funding cycle.

Final funding recommendations will be available May 5, 2003 and will be posted on the DWR website at:

<http://www.owue.water.ca.gov/finance/index.cfm>

The Department of Water Resources operates and maintains the State Water Project, provides dam safety and flood control and inspection services, assists local water districts in water management and water conservation planning, and plans for future statewide water needs.
